1975-76's Student Council put in a great year for Monache. Gail Bendoski did a fantastic job leading us all towards the spirit of Monache. Some of the projects sponsored by Student Council were-the Christmas Ball, Hearts and Flowers, Sports Banquet, and Bicentennial Ball. They help to install benches in the bus loading area, worked towards a current events board, sponsored Bicentennial projects, mini-parades, assemblies, promoted school spirit, they were there to always lend a helping hand wherever it was needed. So, thanks to everyone at Monache High School for making it an extraordinary year for us all.

Our Bashful Brazilian?

Monache's AFS student for 1975-76, Roberto Valmorbida.

"Life in Brazil can be easily equated to that of the United States", says Monache's AFS Student, Roberto Valmorbida.

Roberto comes from the city of Sao Leopoldo, which is located 22 miles from Porto Alegre, the state's capital. His city, a small one (says Roberto), has a population of 41,000.

School in Brazil is exceptionally difficult, and Roberto goes to school six days a week. While in Brazil, Roberto was active in various extracurricular activities. He held the position of staff editor in his school newspaper, "O Pedrinho" ("Oh Peter"), and he was a member of his school band for four years. Roberto is also an avid stamp collector. His study of this subject is based mainly on aeronautics.

At Monache, Roberto was active as band manager and also as a member of the Cross Country team.

During Roberto's stay here, he lived with the Don Simonic family. His function, according to him, was to reflect upon Monache the style of Brazil and gain an understanding of our vast and varied customs.

Our AFS Students

Susan Valliere

Last winter Susan Valliere went to Wisconsin under the Domestic Exchange Program.

Under the Domestic Program, the student stays with a family in the United States, in a state other than his/her own. This enables them to experience different lifestyles within their own country.

Susan stayed with a family named the Kleins in Port Washington, Wisconsin. Mr. Klein, a member of the City Council, will involve her in the community activities.

Port Washington located on Lake Michigan, is about thirty miles from Milwaukee.

She attended Port Washington High School which has an enrollment of 1225 students. Due to remodeling, they had a "split shift." School started at 7:15 in the morning and ended at 1:30. Susan returned to Porterville after the end of the second semester.

Caroline's hometown is Libby, Montana. It is in the northwestern tip of Montana in logging country. Caroline's father works as a logger. She has two sisters, one older and one younger, formerly a sophomore at Libby High School, where the hours are about the same as at Monache. She was impressed by the "wide-openness" at Monache and other high schools in the area.

The thing of chief importance in Caroline's life is her Christianity, and she would like to bring this kind of love into her work. She would like to help people somehow, probably younger people.

She enjoys bicycle riding and other outdoor sports that keep you in shape. She also likes to read, which, as she says, is a good thing to do during the cold winter months in Montana.

Caroline Canavan

During the week of February 21-28, Monache had a visitor from Kenya, East Africa. Her name was Mary Atieno Ondier, an AFS student on a weeks vocation from her regular host family in Los Altos, California.

Mary comes from Nairobi, the capitol of Kenya, with a population of over one half million, where she and her brothers and sisters attended school, and where her father is employed in a factory which manufactures window glass.

To qualify to be an AFS student, Mary had to meet certain requirements. First, they chose all those students who spoke English, then they were asked if they felt they could spend a year away from their families in a different country, and be able to adjust to other cultures, customs, etc.

The 1975-76 Booster Club has been busy this year. They have had bake sales to raise money for things such as sign painting. They have had meetings every Wednesday morning, and sign paintings were held every Wednesday night for the various sports for the on-coming week. They also organized the Tug-of-War activities during Homecoming Week.

The varsity football team was 2-2-1, tying for fourth place with Delano in the East Yosemite League. The Marauders were 2-7-1 in the overall season. The "Big Blue" were both gracious winners and losers, as they showed the true spirit of "Monache Pride."

At our annual fall sports banquet, Homar Garza was named Most Valuable player for the '75 season, gaining 1,042 yards. The most inspirational trophy was awarded to a senior, Tim Rice. Garza and Rice were also named co-captains. The best offensive and defensive players honored at the ceremony were Frank Helm and Craig Wagner. The most improved honor was awarded to a junior, Brian Hill. Player of the week awards went to Craig Wagner (Foothill), Sonny Booker (Reedley), Matt Barnard (Highland), John Ward (Hanford), Chris Crow (Mt. Whitney), Homar Garza (Tulare), Ed Hill and Mike Landeros (Arvin), Ken Tunnell (Western), and Frank Helm (Porterville). All-league players were seniors Ed Hill, Homar Garza and Craig Wagner.

Even though the team had a record of 2-2-1, they were still in contention for a spot in the playoffs until after our last game. The "Big Blue" tied the last game with Porterville 7-7. They had a fine season and showed the Pride of Blue and Spirit of Gold to all.

The 1975 J.V. team ended with a winning season; however, their overall record wasn't as good as their coaches expected it would be. They placed third behind Delano and Tulare Union. Probably the highlight of the season was beating the cross-town rivals for the third year in a row.

Team captains for the season were Kevin Conklin and Charles Hare, who were also named all-league along with Ron McCrillis and R.C. Lorenzo. Randy Johnson and Russell Long were named honorable mention all-league.

We're looking forward to having these fine athletes on our varsity next year.

The Warriors were league champs with the record of 5-0 and a season record of 7-2. They defeated Porterville in the final game 8-6, to win the championship.

To our fellow students, "Football is a game often compared to that of the game of life. Very seldom in life does something worth while come easy. You have to learn how to establish goals and then work hard to find the physical, mental, and emotional stamina to overcome all of the adversities that you will encounter. That is football and because you win or lose you will experience life itself in reality."

"The Warriors accepted a real challenge this season, worked hard, steadily improved, rose to every ocaasion and best of all WE NEVER GAVE UP! Such is our goal in life!"

"We Are The Champs"

With our new facilities on campus, our water polo team expanded immensely. The varsity and junior varsity became East Yosemite League champs for the first year in the history of Monache High School. The varsity team was sparked by graduating seniors Mike Quatacker, Perry Rath, Dan Thorn, and Steve Vierra. Lon Gwyn, new head coach, feels that "One of the reasons we were champs and placers in the valley finals was the immense support we received from the band, choir, song and cheerleaders, students, and parents." It didn't come easily for the team. They worked hard. In addition to the regular practices held after school, the water polo team held morning practice which started promptly at 7:00 A.M.

In the league finals game outstanding J. V. John Dougherty scored to tie the game against Exeter 9-9. Then Perry Rath, with just one second remaining in the game which had gone into double-overtime, scored a goal from a penalty shot.

At the annual sports banquet the most valuable player chosen for the team was Mike Quatacker, most inspirational was Dan Thorn, most improved was Perry Rath, and co-captains were Quatacker, and Rath. For the J. V., co-captains were Lee Moore and Bill Overton. Most improved player was Bill Simonic.

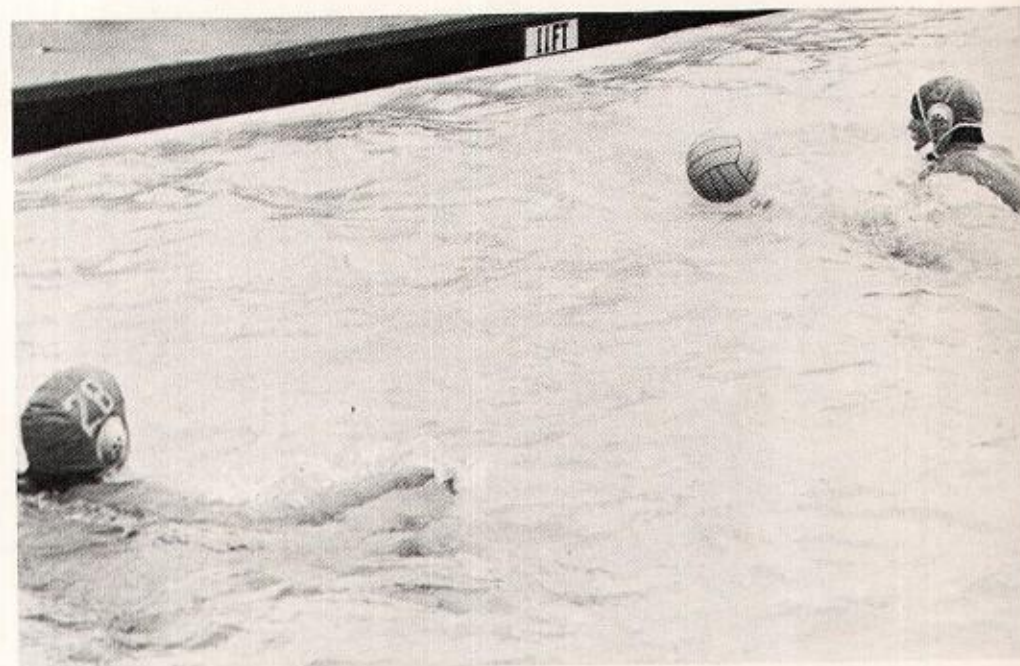

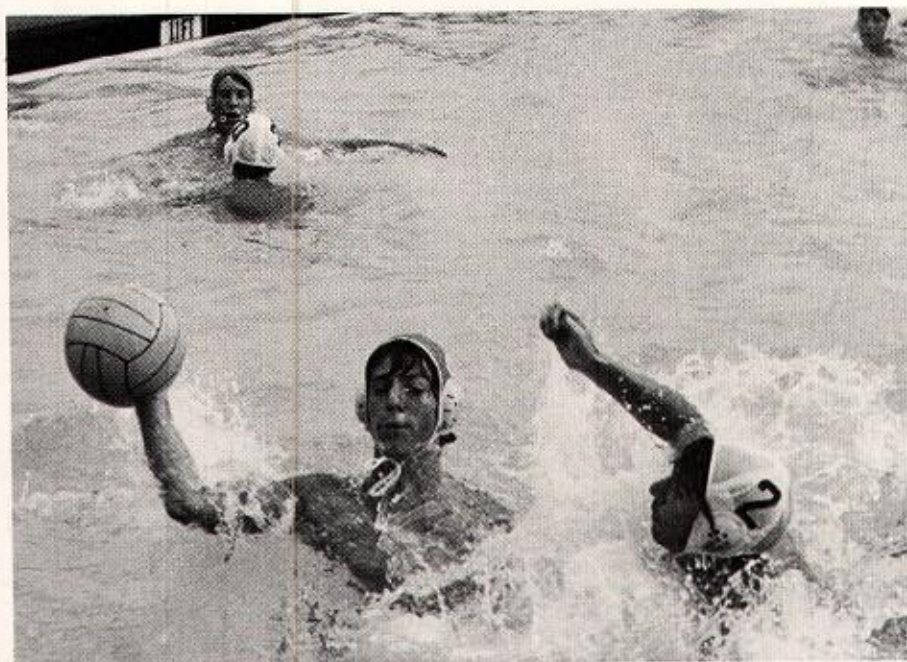

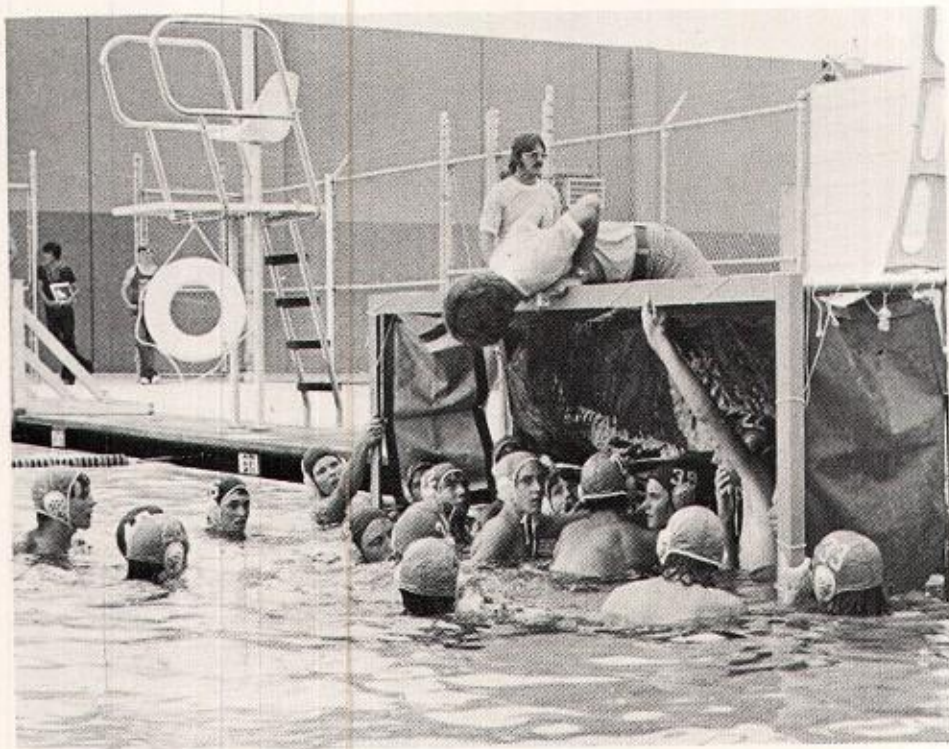

The junior varsity team was undefeated and considered by many to be the best J. V. in the valley. Even though we are losing many valuable seniors, we will still have a strong team who are working towards being the next valley champs!!!

The standings were determined from one race, which was the league championship, held at Arvin on November 7. On the Varsity, Tomas Rico was named Most Valuable Runner, Tom Miller Best Team Runner, and Roberto Valmorbida was named Most Improved. The Co-Captains for the varsity squad were Jim Rodriguez and Greg Smithpeters. Tomas Rico also was an "All League" Runner, placing fifth out of 41 runners. For the frosh-soph, Tom Miller finished first, Heron Guzman second and Chuck Gibson finished fourth. All three were "All-League."

The Monache gymnastics team finished its first season of competition tied for third place in the league. As a first-year team, they competed at the junior varsity level only. A varsity team will be fielded next year. Each girl competes individually on four different events: the floor exercise, balance beam, uneven parallel bars, and the vault. Her scores on each event are compiled for an all-around score.

In league competition, the gymnasts placed second in two meets, third place in one meet, and they finished fourth in the league finals. Stand-outs on the young team were Caren Wong, Kathy Baggarly, Linda Johnson, Karin Blevins, and Teemaree Bussey, all of whom will be returning letterwomen next year.

Co-captains of the team were Caren Wong and Kathy Baggarly. The most-valuable-player award went to Wong, a sophomore, who was the top all-around scorer on the team. The most-inspirational-player award was earned by Baggarly, a junior. Doria Mueller-Beilschmidt, a senior, was awarded the most-improved player.

Another Monache First

The Girls' Varsity Volleyball team saw it's best performance since it's start in 1973. The Varsity team produced many firsts for Monache: The first team to win league, the first team to go undefeated in league, and the first team to participate in the Valley Play-offs.

Named to the EYL All-League team were seniors Kathy Patton and Susan Kerr, honorable mention went to senior Trudy Givens, and to juniors Blanche Rodriguez and Rose Rodriguez.

The season record of 13-2 ranked Monache among the best. Out of 59 participating schools they finished in the top 7, with their only losses to Reedley, which took first in Valley, and to San Joaquin Memorial, which took second in Valley.

Officers: R. Metcalf, E. Frank, S. Thompson, T. Alexander. Front: K. Kaiser, P. Jordan.

The purpose of G.A.A. is to develop good sportsmanship and an enthusiasm for sports. The G.A.A. main money making project is the sweatshirt sale held every year. This year they started making and selling buttons to promote school spirit. They entered a float in the Mini Homecoming Parade and won the prize for "Most Spirited."

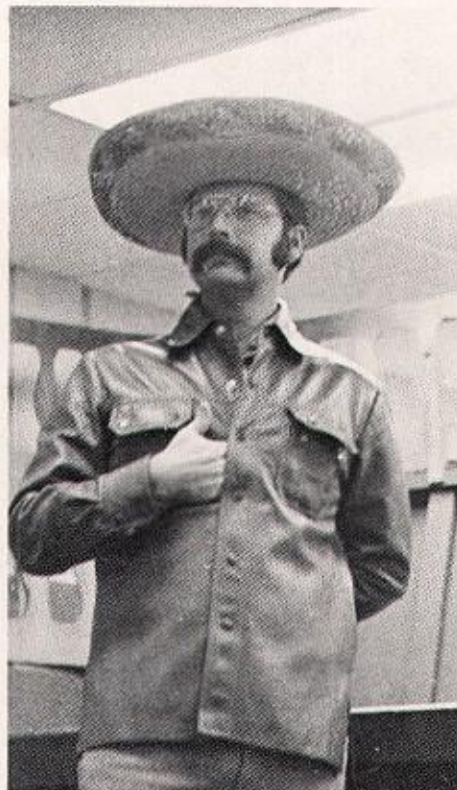

"Z" Club

Officers: (B. to T.) P. Jordan, K. Slate, D. Zumwalt, C. Dawkins.

"Z" Club is a school and community organization of junior and senior girls with a "B" average or better. Local community service clubs call upon the girls for assistance for many fund-raising projects, such as the Heart Fund drive, Easter Seals, and Cancer Society. During Christmas they visited rest homes. The club is a branch of Zonta International Women's Club. Advisor: M. Walbridge.

Officers: Gracy Hernandez, Noe Contreas, Roy Gonzales, Robert Soto, Christina Gonzales, Abdulia Guzman.

The Mexican-American Club really worked hard this year with club-of-the-year award as their goal. They started off this year by selling tamales to raise money for the field trip to San Diego to see Sea World and the San Diego Zoo and the University of California at Santa Cruz. During the school year they introduced new activities to the student to increase student involvement, such as selling confetti eggs, having a Mexican-style Christmas Ball and sponsoring an Ethnic literature essay contest (winners recieved monetary awards.)

Monache Drama Presents "Peter Pan"

The 50-member cast for Peter Pan was the largest for any Monache drama production to date. The cast included Peter, Minda Milinich; Wendy, Tamy Holt; John, Debbie Bender; Michael, Sherry Overholt; Mrs. Darling, Lynn Baze; Mr. Darling, Ben Locke; Nana, Joyce Clinton. The Lost Boy's were portrayed by Jackie Havery, Carol Fox, Kristi Pernu, Tim Santry, Tim Brackett and Ilka Jarvis. Captain Hook was David George. His two sidekicks, Smee and Starky, were played by Jack Lynch, Chris Crow and Marty Conners. The Indian princess, Tiger Lily, was played by Angela Sue. Rounding out the cast were many other pirates and Indians. Peter Pan was the result of cooperation of four individual departments on the Monache campus. The show had three choreographed numbers by Pam Berryhill and Karen Elam of the Women's P.E. Department. David Rasmussen directed the vocal music. Bob Bitner Art Club designed the posters and part of the scenery. Peter Pan played in the Porterville Memorial Auditorium on December 4, 5, 6. The Drama Department is headed by Bob Briscoe.

"Oliver"

Oliver is a musical play based on Charles Dickens' classic novel, *Oliver Twist*.

Debbie Bender portrayed Oliver, the artful dodger was Dave Sobyra, David George was Fagin, Debbie Green was Nancy Sikes, and Chris Crow was the evil Bill Sikes.

Other members of the cast included: Tim Lemming, Mr. Bumble; Lynn Baze, Widow Corney; Steve Crow, Mr. Sourberry; Deldra Bucker, Mrs. Sourberry; Lynn Gibbons, Charlotte Sourberry, Bernie Santianah, Noah; the parts of Mr. Brownlow and Dr. Grimwig were played by Corey Miller, Carlos Valencia and Ben Locke.

Mr. Brownlow's housekeeper, Mrs. Bedwin, was Joyce Clinton and old Nancy was played by Robin Held. The cast also included many students as houseboys and singers in the chorus; there were also many in the pit chorus and orchestra.

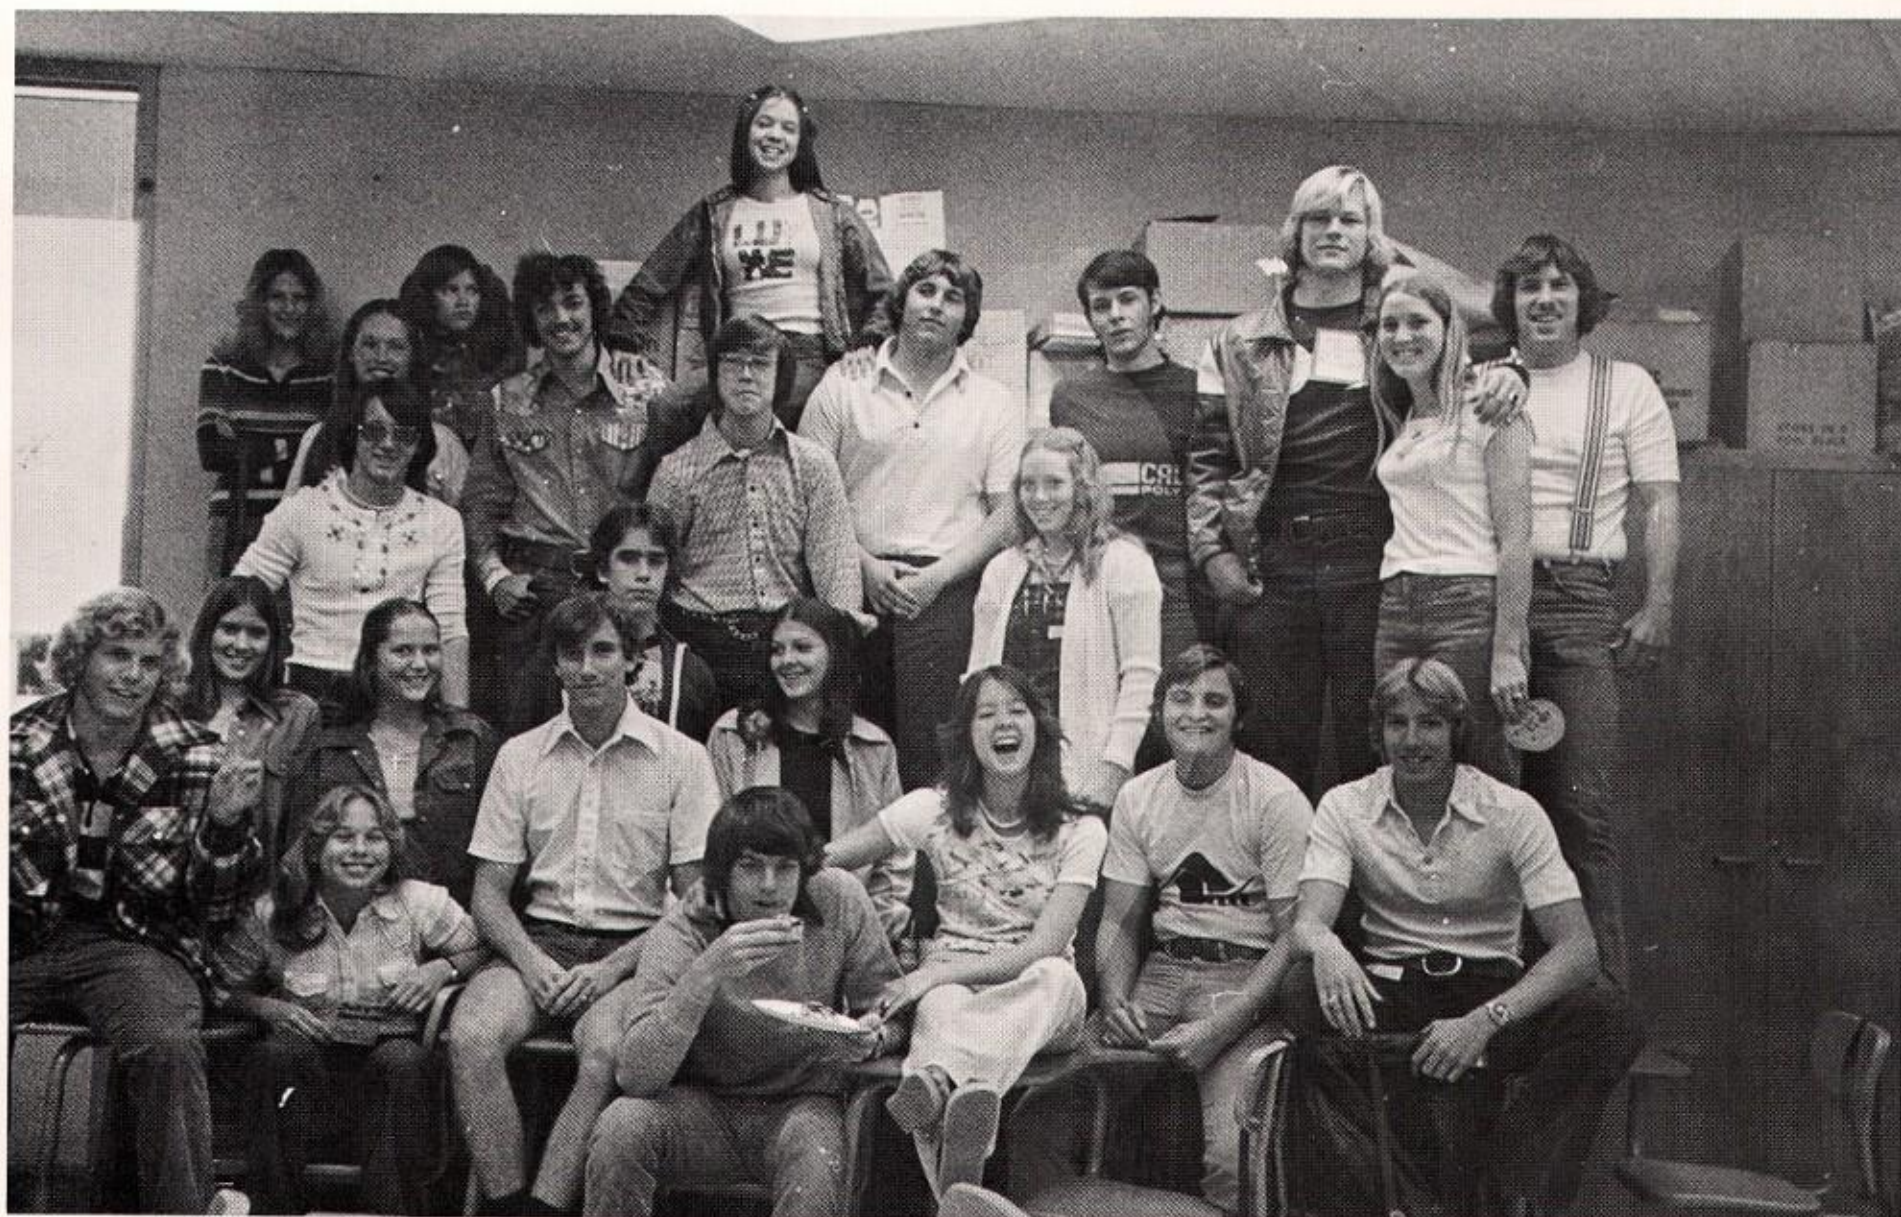

"Oliver!" contained many famous tunes from the Broadway production. These included "Food, Glorious Food," "Consider Yourself at Home," "Gonna Pick a Pocket or Two," "Who Will Buy," and "Review the Situation".

There were many dance numbers that were choreographed by Shirley Hichman of the English Department. The chorus was directed by Dave Rasmussen and the orchestra by Dale Anderson. The posters were designed by Bob Bitner's Art Club. Head of the stage crew was Brett Halsey.

"Oliver!" played at the Porterville Memorial Auditorium on Jan. 28, 29, 30 and 31.

Advisory Committee

Advisor: Bob Bottoms

The advisory committee was set up under the direction of Bob Bottoms, vice-principal, to provide two-way communication between the student body and the administration. Members of the committee were selected because of their leadership in various groups on campus which might not ordinarily receive representation through student government. The committee met first in their subgroups to discuss problems as they saw them, then in small groups representing a cross-section of the campus where activities were used to acquaint members with people outside their group, and, finally, in the large group where information was exchanged and planning for activities took place.

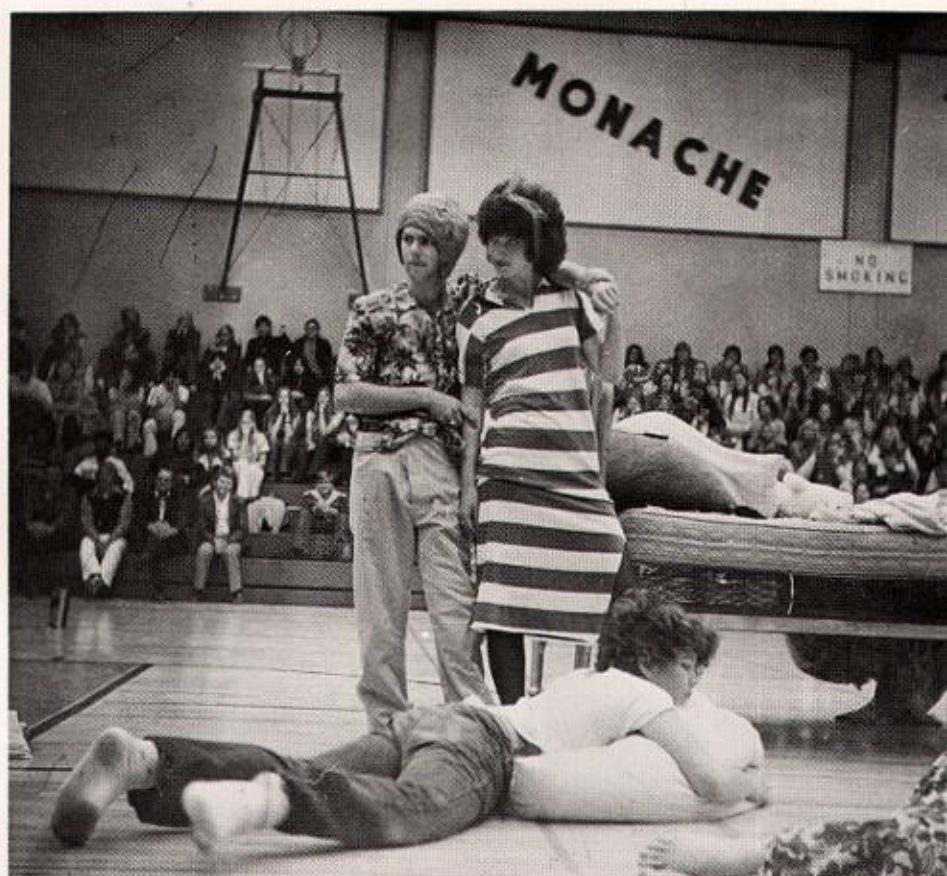

Major concerns of this year's committee were intergroup tensions and how to lessen them, progressive measures to improve the littering problem, how the discipline code was to be applied and the development of a more formal system of feedback from the committee to the student body. Important progress was made in these and other issues and in increasing awareness was developed of how other people see problems.

The major activity for the year was the planning and carrying out of a "Human Relations Day" where 120 students and faculty left campus on April 28th to take part in activities designed to discover the basic human being in us all. This first attempt at increasing faculty-student administration solidarity was designed as sample of more and bigger events of their kind in the future.

The 1975-76 Marauders will be remembered as the team that "put it together." The Marauders were led by two outstanding returning lettermen, Mark Hubbard and Russell Blackwell, and, with a hardworking group of players up from the J.V. team, the Marauders turned into a very good basketball team.

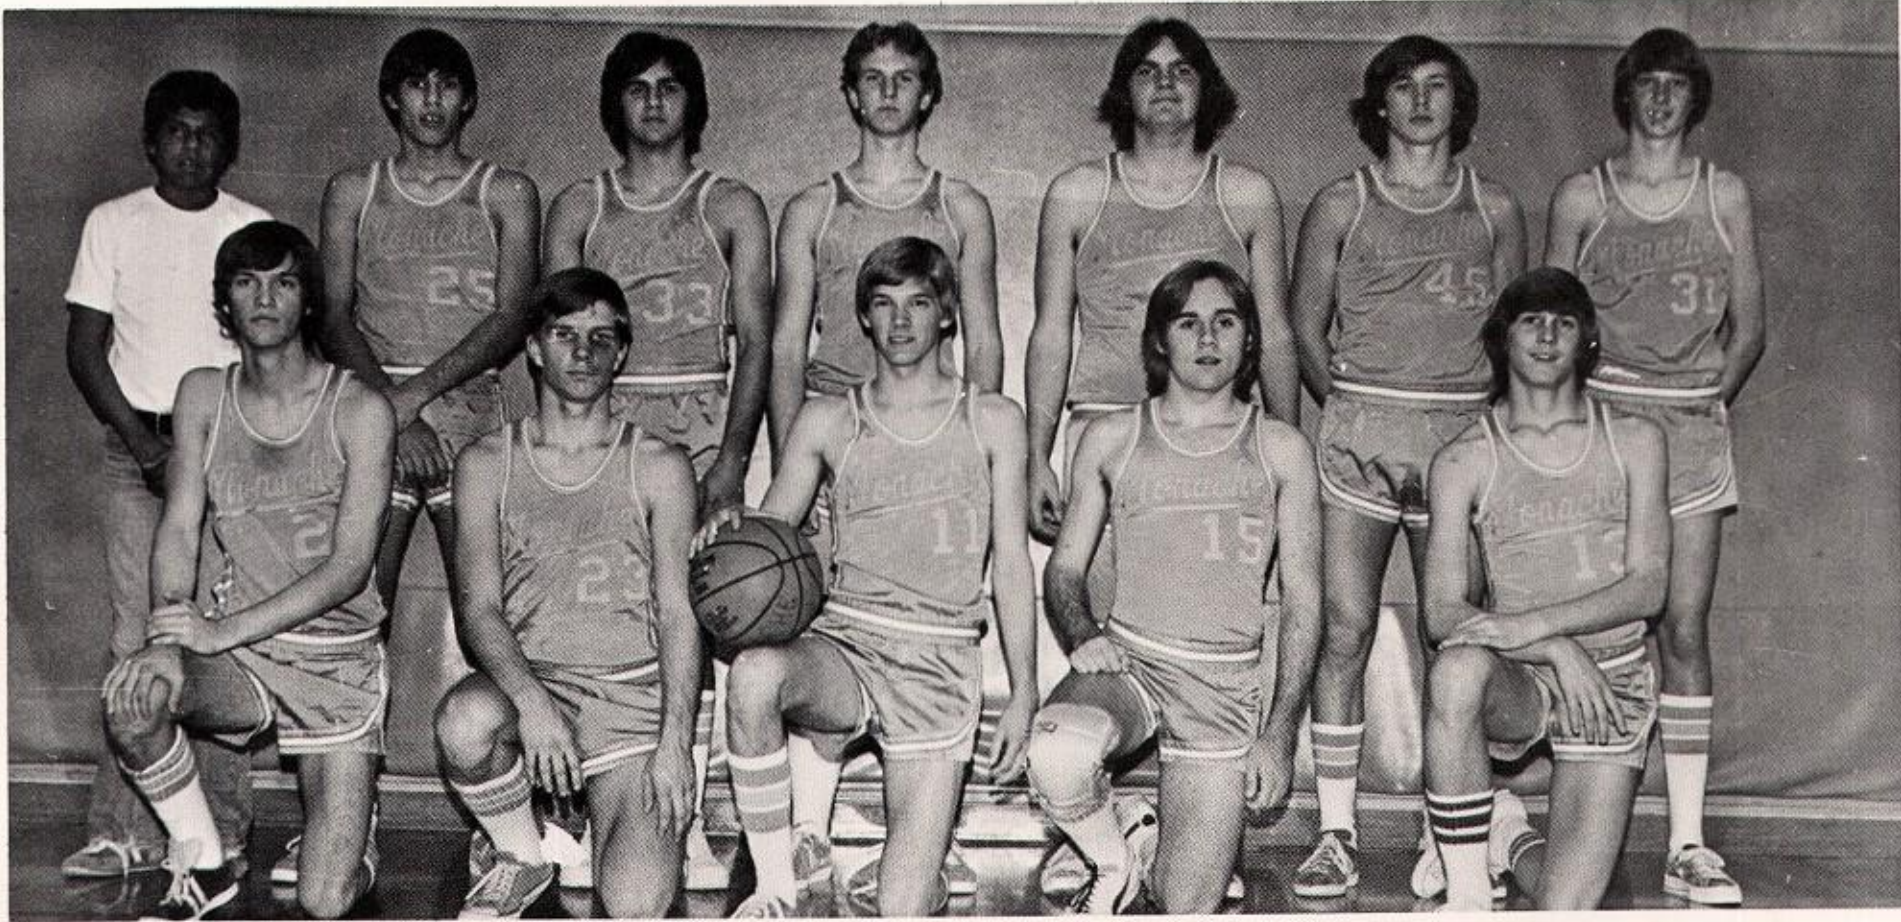

The highlights of the season included the third consecutive year winning the Sanger Tournament, as well as defeating our cross-town rival Porterville three times. With the 19 win - 7 loss season, the Marauders will be remembered as one of the best in the school's history.

This year for the JV's was one of inconsistency, caused by line-up shuffling between levels and injury, but, nevertheless, there were great team and individual improvements. The league was the most closely matched it has ever been in the history of the E. Y. L., with only two points separating a first-place finish from our third place finish. Delano and Arvin tied for first with 7-3 records, and Tulare Union and Monache tied for third with 5-5 records. The highlights of the season were the wins over Porterville, Tulare Union and Arvin in league. Probably our best game was the 62-48 win over Tulare Union in the second round of league play which knocked them out of first. The Chiefs followed with an upset of Arvin, 54-50. Arvin was also a league leader at the time. Finally, inconsistency was responsible for our losses to last-place teams, costing us the championship, even though they were 5-2 against the first three league leaders.

The Monache varsity wrestling team took the E. Y. L. Championship for the second consecutive year. The team was led by league champions Homar Garza (154), Mike Landeros (178), and Ed Hill (Hwt.). The league record for our outstanding grapplers was 10-0. Their overall record was 13-1 with the only loss to W. Y. L. Champions, Hanford High School.

The valley placers this year were senior Ed Hill and junior Mike Landeros. Ed placed first in the league meet, fourth in the division, and fifth in the valley meet. Mike also placed first in league meet, second in the division meet, and fourth at the valley meet. Mike only lost to one wrestler all year.

Junior Varsity Wrestling

Our team consisted of freshman and sophomores. Team-wise, they did a good job considering their lack of experience.

Individually, sophomore Tim Dennis and freshman Tim Vanni performed well. Neither was defeated in a dual match. Vanni lost only one tournament match. Dennis had a tie to blemish his record. Martin Munoz, a sophomore, who wrestled varsity at times, had only one J. V. loss.

Neil Jones, a sophomore, also had a good J. V. record.

Dennis, Munoz and Jones were champions at the Tulare Western Frosh-Soph Tournament.

Overall record: 8-5

"1975-76" Frosh-Soph Wrestling

The Frosh-Soph was in an "unofficial" league. Delano, Tulare Union, Tulare Western and Monache composed the league. Monache's record was two wins, four losses.

The league gave many boys an opportunity to wrestle who would not otherwise have had a chance to. The frosh-soph experience will greatly help our future J.V. and Varsity teams.

The Monache Marauder Soccer Team experienced a disappointing but a much-improved 1975-1976 season. After two poor years of below-average play, the team this year showed that they were

Coach Dave Rugeroni

capable of above-average play; however, they showed some lack of consistency. After starting league play with two losses and one tie, they came right back and won their next three home games scoring eleven goals while only having two scored against them. Too much success came too soon in the season, for in the next games against Porterville they only tied, against Delano they lost in the last fifteen seconds of overtime, and they only managed a tie against the basement team. Certainly it was a disappointing ending to the season, but they did give many spectators a new outlook on the thrilling game of soccer.

Winter Sports Banquet

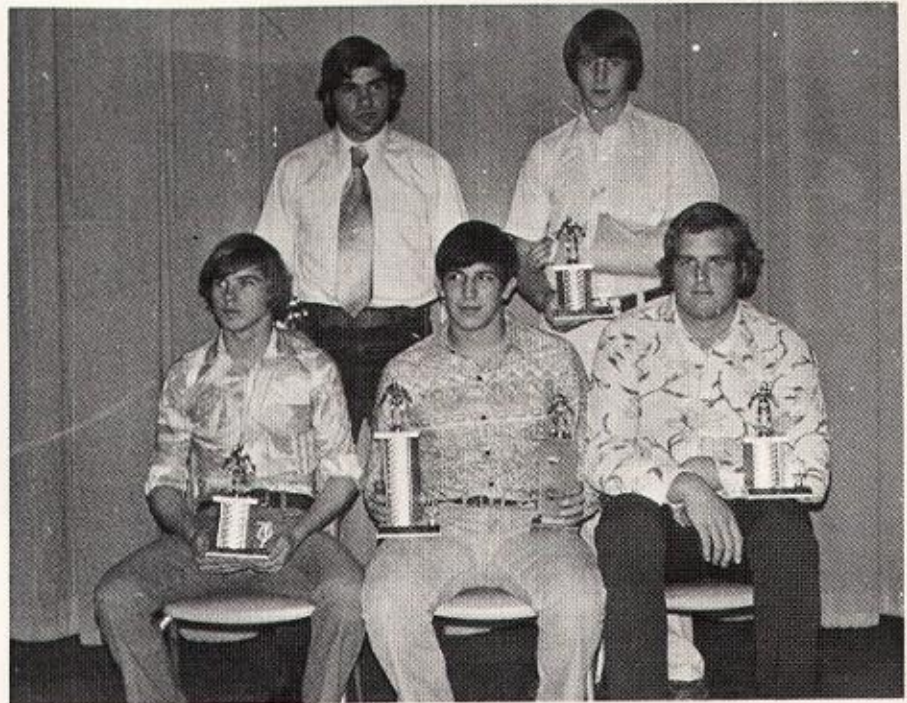

Once again Monache paid tribute to its winter sports athletes at the annual Winter Sports Banquet on March 11.

This winter, another championship was added to the logs of Monache history. The varsity wrestling team went undefeated in league, for the second straight year, to capture the title.

Mike Landeros was selected as the Most Valuable Player on the varsity wrestling team. Landeros, a junior, had the most pins (11) and takedowns (36) on the squad. He also went the farthest of Monache matmen in post-league competition, placing fourth at the valley meet. Other grappling honors went to Mark Metcalf, most inspirational; Ed Hill, most improved; Homar Garza, co-captain with Landeros, and Tim Dennis JV-MVP.

The soccer team's MVP award was presented to another junior, Silver Rodriguez. Jesse Hernandez was selected as most improved; and Gilbert Garcia and Elio Espino were named co-captains.

To no one's surprise, senior Mark Hubbard was awarded with the MVP trophy for the varsity basketball team. The 6-4 forward led the team in scoring and was second in the EYL at 19.5 points per game. He set a school mark in shooting percentage at a 51% clip, and finished his

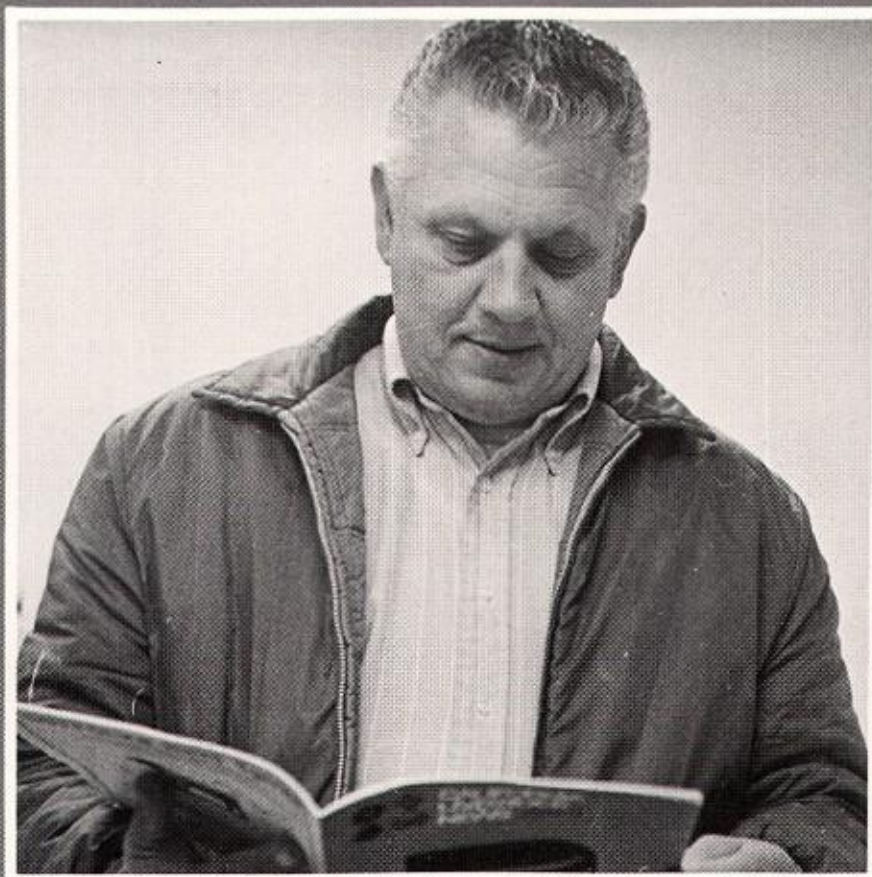

career as the second leading scorer in Monache history. Hubbard was also named to the all-league first team. In addition to Hubbard's honors, Marty Weaver was named most inspirational; Craig Wagner, coaches award; Sonny Booker, most improved; and Rolando Esquivel and Russell Blackwell were captains.

The underclass cage awards were given to Craig Pierson JV-MVP; Pierson was named all-league JV; and Tim Smith was most improved and captain. Smith and Allan Goodson were named honorable mention players by the league. Mike Burns was frosh-soph MVP and co-captain along with Mike Franklin and Russ Long. The freshmen MVP award was presented to Jesse Rodriguez, and Steve Sullivan, Andy Rico, and Rod Thomas were co-captains.

SPRING

Gail Bendoski

Girls' State

Gail petitioned to run for her city council, which she made and later the presiding council members made city ordinances.

Everyday the girls were lectured by women officials who hold high government positions in California.

The girl's also had a schedule to follow and had no time of their own to spend leisurely. Every minute was planned ahead of time. Besides being lectured in the mornings, the girls had a routine to follow each day, which included recreation and religious services as part of their recreations.

"I wish everybody could have a chance to attend such a meeting, not only was it a fantastic learning experience, but I learned to appreciate that, though we all have different point of views, the positive point cannot be reached until the negative view is spoken against," was Gail's comment of the once-in-a-life-time experience at the Sacramento Girls' State.

Boys' State

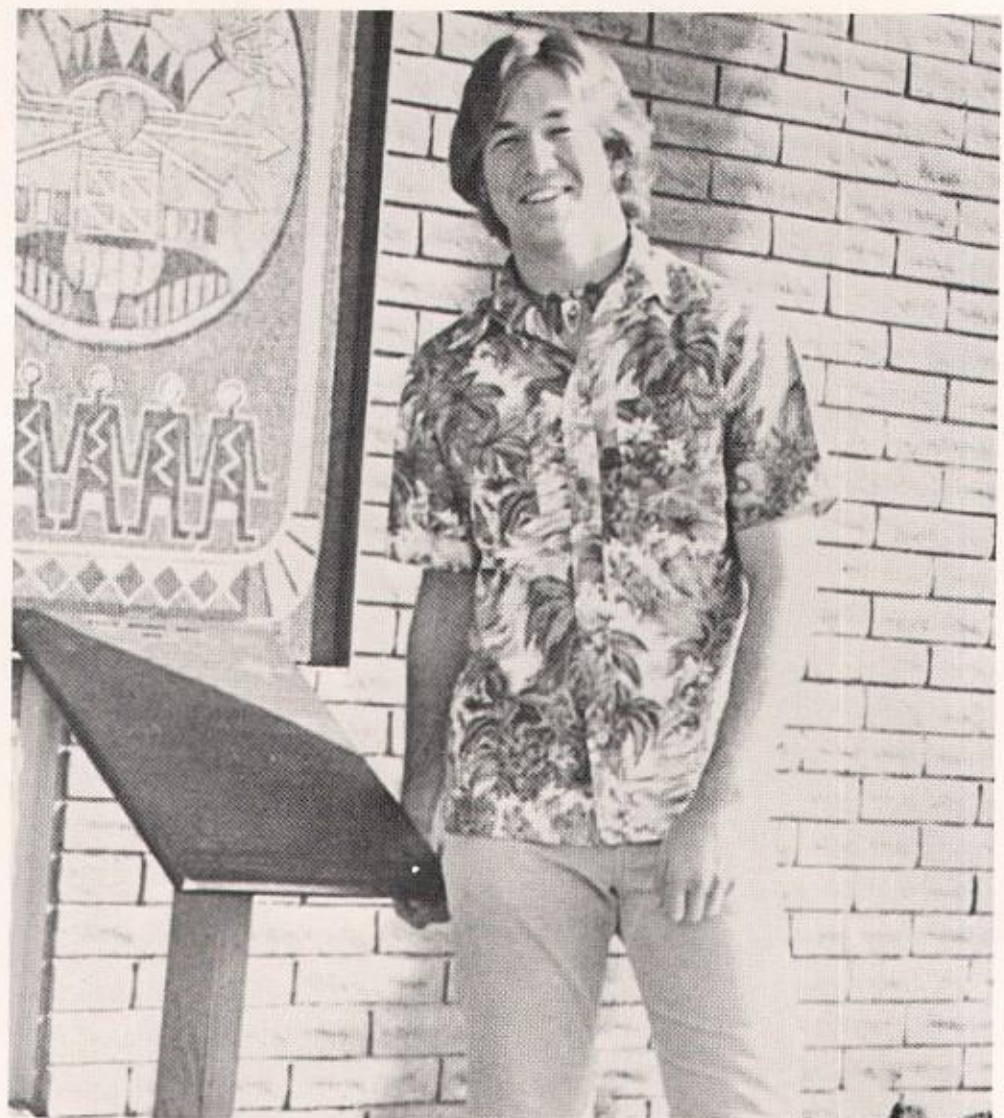

The week of June 14-21 was one of the most exciting for Jerry Hubble when he spent some of his time this summer in Sacramento State University, where he presided as one of the five city council members and later on as Mayor for his make-believe city, Judhea.

In Jerry's words, "That was an experience I'll never forget, not just in the experience of playing political roles, but the friendship and respect I came to feel."

What interests Jerry about the whole experience was the optimistic attitude everyone had. The boys had no hangups, prejudices, and were open-minded about everybody's feelings and opinions.

Besides playing as officials for the mock government the boys went through the regular routine that was on their schedule. This included physical exercises and religious services.

During the second day after their arrival, the boys had county elections. From these they went on to choose assemblymen and senators.

The Monache Student Chapter of the American Field Service, known better as the A.F.S. Club, has accomplished a lot this school year of '75 and '76.

The major job of this club is to help support the Monache exchange student during his or her stay. This includes lunches, clothing, personal expenses, sports equipment, any trips, such as choir and band, tours, drama field trips, club "ditch days," and etc.

Another one of the club's responsibilities is to house visiting exchange students during local activities in which they are to participate.

This year the A.F.S. club helped to sponsor a Christmas card to the city of Porterville. Several of Porterville's families helped the club with their \$500 donations, for which they had their names added to the list of senders. This Christmas card was in the Dec. 24 issue of the Porterville Recorder.

During the year, the A.F.S. club had invited several speakers, who had been to other countries, to come and share their experiences with the Monache students.

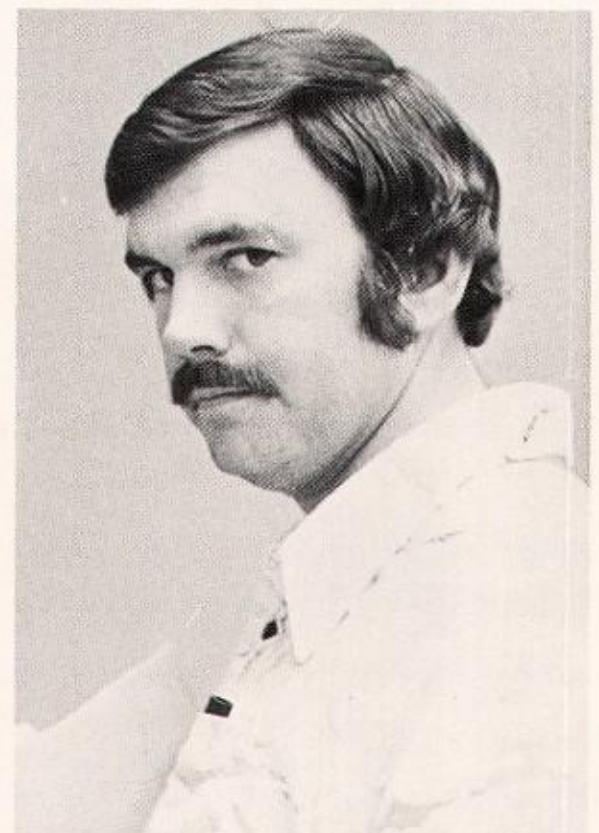

A.F.S. raised money by bake sales, selling snowcones, selling sports programs, sponsoring dances, and other similar ways.

This year the club gained a new advisor, Miss Hayre. She did alot for the club this year. This year was a great year and next year should be even greater!

Chess Club

Monache's Chess Club had a busy year attempting to become organized. Coach Tim Haley allowed the membership freedom enough to improve their skills as master chess players, but no formal tournaments were held. The abilities necessary for good chess techniques, logic, memory, inventiveness, were certainly improved and expanded--justification enough for the perpetuation of a Chess Club on campus.

Ichthus

The Ichthus Club is made up of students who are interested in knowing and practicing christian principles in their relationship with other students on campus. Singing, discussions, skits, readings, and guest speakers are some of the activities the club engages in. The club is open to all students regardless of church affiliations. Advisor: W. Crawford.

The Tribal Tribune, the official campus publication for Monache, was published bi-monthly during the school year 1975-76. The Tribune attempted to create a brand-new format this year and converted the traditional newspaper to an innovative magazine, style. The magazine under the direction of Editor-in-Chief Jon Morgan, and his photography, received rave reviews from the student body.

Selma 1975

Monache has participated in the Selma Band festival for the past 7 years. The competition attracts many bands from all over the valley. It is comprised of two main competitions, parade and halftime. The halftime is only marched by invited bands. This year the band took 2nd in parade and halftime sweepstakes for the 6th year in a row.

Oakland

Invited for the third time to the Oakland Coliseum by Del Courtney, the entertainment commissioner for the Oakland Raiders, was the Monache Marauder Band and Drill team. On November 30, the band travelled to the Oakland Coliseum to perform for the Oakland-Atlanta professional football game. Under the direction of Dale Anderson, the Band and Drill team was joined by a sixty-voice vocal group, 43 members of the Plano 4-H Club and the Fresno State University Bulldog band.

F.F.A.

The Monache F.F.A. chapter was very active in fairs, judging contests, leadership and recreational activities. They held an a beef bar-b-que, and country auction. They also sponsored the F.F.A. Sweetheart contest and held a Parent Member Awards Dinner.

F.F.A. Sweethearts

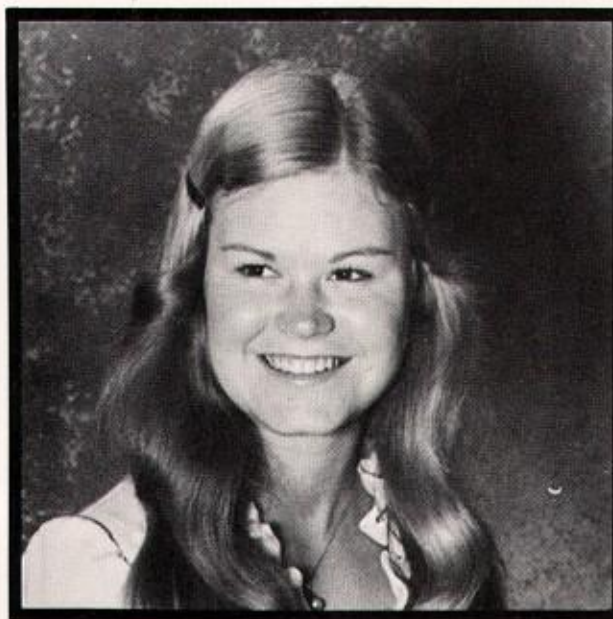

Robin Williams, Debbie Todd, Theresa Alexander and Sweetheart Ann Burgess.

Anne Burgess was chosen by the student body of Monache at a penny a vote. Sweetheart dance was the climax of the F.F.A. week. During the week the Monache chapter held various lunch-time contests.

On Tuesday the greased pigs was the event. Wednesday there was log sawing contest. On Thursday a brick laying contest was held and finally on Friday, there was a hail driving contest.

The dance was a nice end to fun week with the crowning of Anne Burgess by chapter president Randy Burns and last year's sweetheart, Dawn Hosfeldt.

California's Junior Miss

An honor which falls on only one girl once a year, which stands her out from all other girls in her home state, is a rare honor indeed.

It has never happened to anyone in the Porterville area until earlier this year, when the State Junior Miss title was won by Gail Bendoski.

The surprised senior won the title out of 76 contestants at the pageant held at Santa Rosa. She is one of 50 contestants from each state who traveled to Mobile, Alabama for the National Junior Miss Pageant.

At the state pageant, the girls were judged in five categories, academic achievement, physical condition, poise and appearance, a judge's interview and talent.

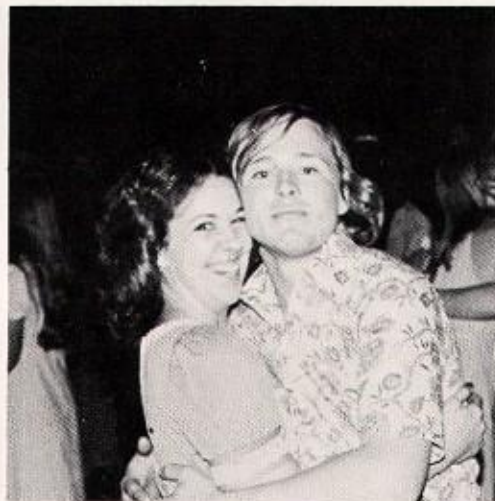

Along with the title, Gail won a \$1,900 scholarship, \$200 wardrobe, a girls' ten-speed bike, Kodak Camera with her name engraved on it, a set of luggage, and a paid trip to the finals at Mobile.

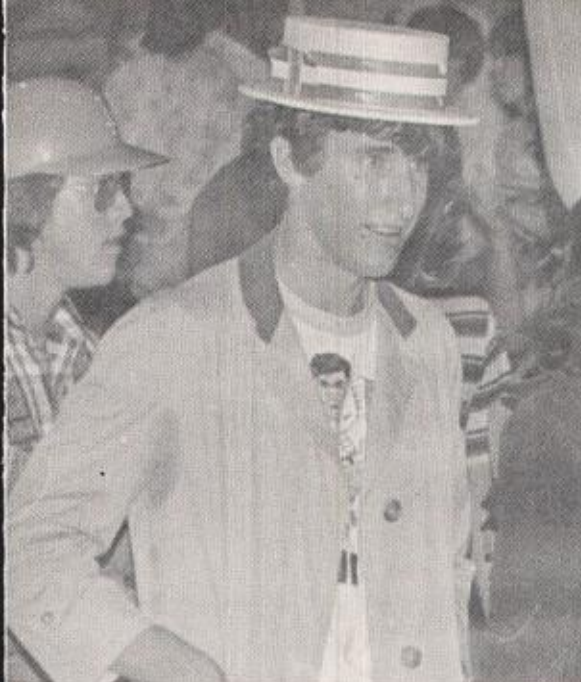

Asked about her experience at the pageant, Gail relates that it was "A very growing one for every girl there, and I think we learned the true meaning of love and giving. We were always helping and encouraging each other to keep doing their very best."

"It's hard to explain the feeling that existed among the girls. It's an experience I'll always cherish, and I want to thank everyone for all their love and support."

There are ten girls starting off the new track season, according to Coach Karen Elam. Monache and Porterville are combining the two teams, getting ready for next year's season to enter the league. Because it's the first time Porterville has sponsored a girls track team, there was no definite season schedule.
